

LET'S CELEBRATE VALENTINE'S DAY

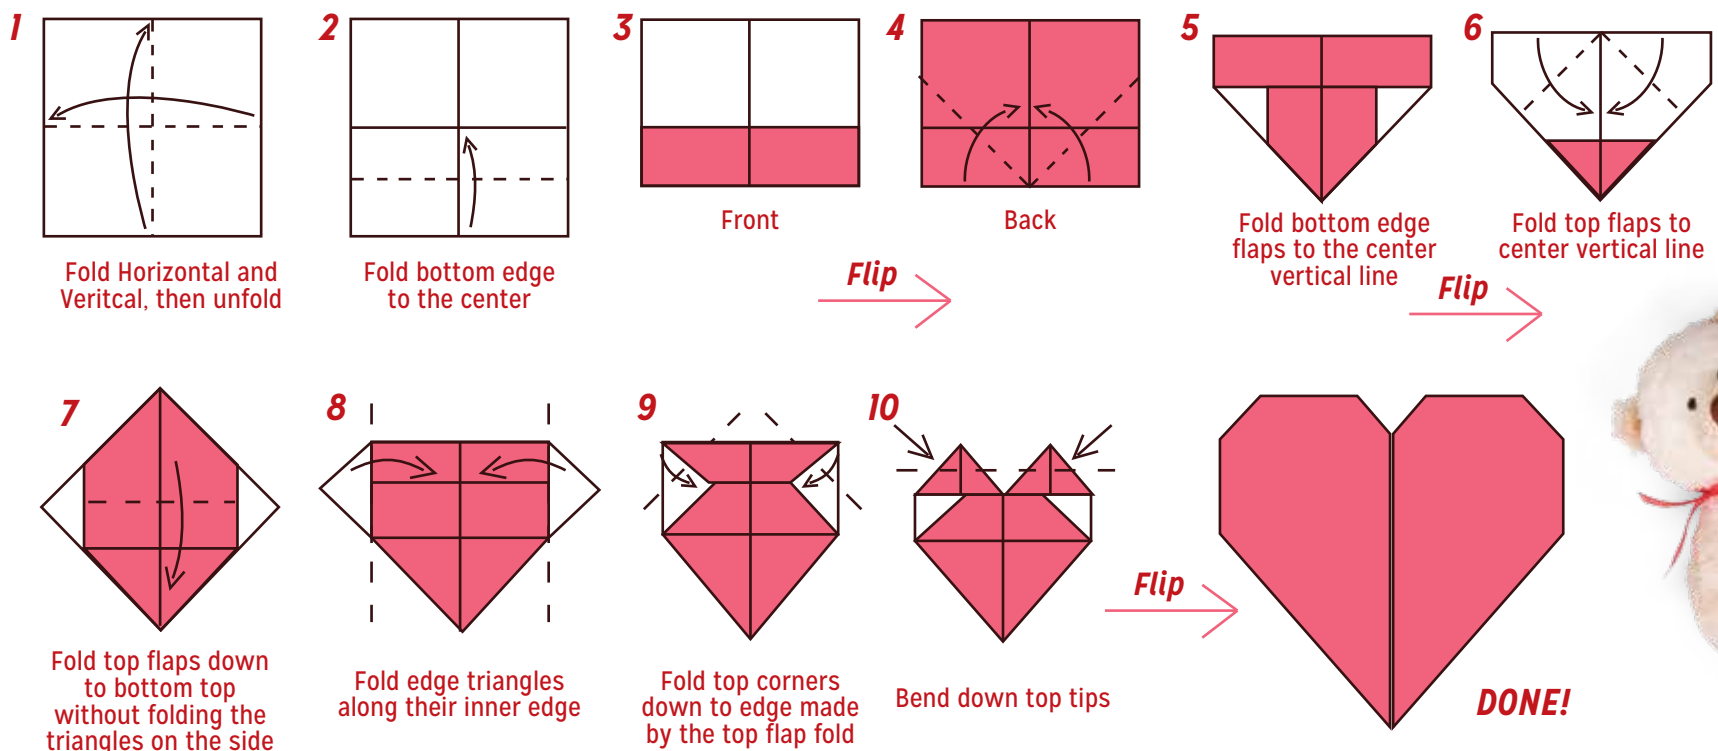

Valentine's Day Origin 情人節的由來

The most popular saying is, in the third century, a bishop called Saint Valentine held secret marriage ceremonies of soldiers in opposition to Claudius II who had prohibited marriage for young men and was executed by the latter on February 14. To commemorate Saint Valentine, the 14th day of February became a day for all lovers.

最有名的說法是在3世紀，古羅馬暴君為了充實兵力，逼令所有單身男性公民從軍，不許結婚。一名叫瓦倫丁 (Valentine, 又作華倫泰) 的基督教修士不理禁令，秘密替人證婚，結果被士兵逮捕，在 2月14日被絞死；為紀念瓦倫丁的勇敢精神，人們將每年的2月14日定為瓦倫丁紀念日，成了後來的“情人節”。
